TRAINING AND RESOLUTION SERVICES

MEDIATION TRAINING BROCHURE

Mediation Foundation Training Course

Thank you for your interest in **ChangeMaker Training & Resolution Services** Foundation Mediator Training Course and for considering taking your journey of developing your skills in conflict resolution with us.

ChangeMaker Training & Resolution Services delivers a range of training programmes in conflict resolution skills and mediation. Our training team is made up of a diverse team of qualified and experienced mediators who have extensive experience of delivering training and also supporting newly qualified mediators.

We are based in Luton, Bedfordshire and deliver our services locally and nationally, in person, by remote online learning, and as a hybrid model.

We are focused on integrity and continual quality improvement and striving for excellence. Our team has a wide range of experience gained from vocational, education, social care, business and management backgrounds.

We are committed to inclusion and accessibility and endeavour to ensure that our services benefit a wide range of people endeavouring to ensure that all participants have the opportunity to engage with our training effectively.

Whatever your background, we hope that this course will open your eyes to new perspectives, challenges and, of course, the development of practical skills. Wherever your mediation journey takes you, we are sure that you will never look at the conflict in quite the same way again.

We hope this short handbook will answer some of the questions you might have, but if you require further information, or wish to discuss any aspects of the course, please don't hesitate to contact us at: office@changemakerllp.co.uk

We look forward to working with you and being part of your journey.

Course Overview

Delivery of the course is via:

- Pre course activity
- Lectures and presentations
- Discussions, interactive exercises, small practice groups and mediation skills practice.
- Reflective learning which includes the completion of a course portfolio.

Formal assessment

- 100% attendance is required. The whole course must be completed, including the course portfolio, in order for you to successfully finish the course.

Welcome!

Mediation is a dynamic and confidential process designed to help to resolve personal and professional disputes using a neutral third party to facilitate mutual agreements.

Aims and Objectives of the Course

We are committed to providing an inventive learning experience that will help our trainees become trained mediators who are ready to start working in the field of dispute resolution.

The course is geared towards those with an interest in developing:

- Effective communication skills
- Awareness of conflict and responses to it
- An ability to facilitate and manage a mediation process
- An ability to empower others to settle their disputes effectively
- The ability to apply the highest standard of ethical practice

What to Expect:

Working with experienced, dedicated and skilled mediators and trainers, our trainees will receive teaching, in all aspects of the mediation process, through a variety of practical, interactive and engaging approaches.

Our course is approved by the **College of Mediators** as meeting the requirements for a 'trained mediator' and takes place over five (5) days - with pre and post course support.

The course content includes:

- The aims and principles of mediation
- The skills and qualities of a Mediator
- Where it is appropriate to use mediation
- How to manage mediation cases successfully
- How to develop as a mediator once your training has ended.
- Trainee assessment through skills practice, exercises and a written assignment

The course is delivered online or/and in person.
